

# 5<sup>th</sup> Edition of International Conference on **GREEN CHEMISTRY AND RENEWABLE ENERGY**

Rome, Italy | Hybrid Event

**02-04 June, 2025**

#### IMPORTANT DATES:

Abstract Submission Opens on:  
June 25, 2024

Registration Opens on:  
June 26, 2024

#### OVERVIEW

Green Chemistry 2025 will bring together over 200 experts from leading research and professional institutions worldwide to share their expertise and discoveries in the field. This conference aims to foster collaboration between academics and industry professionals, highlighting the rapid advancements in green chemistry, renewable energy, and sustainability. The event will feature renowned speakers and cutting-edge technology, offering a dynamic platform for an international audience to engage with the latest developments and innovations in green chemistry.

#### CALL FOR PAPERS

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
