January 22, 2024

Registration Opens on:  
January 29, 2024

#### OVERVIEW

HEMATOLOGY 2025 will be organized with a focus on keynote sessions, symposiums, workshops, as well as oral and poster presentations. Delegates will have valuable opportunities to network and gain insights from prominent figures in the academic and corporate realms of medical imaging and clinical research worldwide. This scientific gathering offers an exceptional chance for individuals within the Hematology community to address and tackle the challenges associated with blood disorders.

#### CALL FOR PAPERS

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
