ABOUT THE EVENT

Magnus Group cordially invites you to “**3rd Edition of International Nutrition Research Conference**” NUTRITION 2022 which is going to be held Virtually during September 12-13, 2022.

This global consortium is the world’s largest gathering of food, nutrition, and dietetics specialists along with researchers, scientists, nutritionists, healthcare professionals to discuss major issues affecting people’s health around the world. The congress will deliberate on the theme “Exploring and Enlightening the Significance of Nutrition and Health” and it acknowledges the recent advancements and latest discoveries in the field of nutrition.

Nutrition is incredibly vital in our daily lives. Unit proteins, carbs, and fats are the most important nutrients for human bodies. These provide energy to the body for a variety of tasks such as heart, muscle and brain activity, and so on. In addition, the body requires vitamins and minerals to function properly. To promote a healthy diet and nutrition, foods from all types of food must be chosen (cereals, pulses, poultry and meat, milk and milk product, fruits and vegetables).

NUTRITION 2022 is one of the finest opportunities to engage with the eminent personalities from academia and industry and individuals from the area of nutrition science related domain. This global congress provides the opportunity to establish networks with other researchers and professionals from across the world who work in equivalent or related fields.

The two-day worldwide conference embraces the plenary talks, keynote speeches, oral and poster presentations from most prominent researchers who outshine in their respective fields. We are excited to welcome you all to what promises to be an outstanding educational and industrial scientific gathering.
