Theme: Latest Innovations in Precision Medicine

October 19-21, 2020
Orlando, USA

https://magnusconferences.com/precision-medicine/
The development of Precision Medicine is facing a fundamental change in basic concepts and experimental practices of a scientific discipline in between public health, biomarkers and the prevailing fields of pharmaceutical industry. Precision Medicine is currently most influential in cancer and the course of treatment is maturing.

The International Precision Medicine Conference will take place at Orlando, USA from October 19-21, 2020 and encompass development in innovative technologies, clinical case studies that enable the progression of Precision Medicine into direct enhancement in health care. IPMC-2020 targets to deepen the perspective of other non-communicable diseases.

The theme of the conference is “Latest Innovations in Precision Medicine”, will pledge us to classify disease more precisely, treat patients on individual indication, and advice patients prevention measures in line with time and stage of disease.

The conference experience is for everyone involved in the delivery, development and organization of IPMC 2020, as well as this approach will allow doctors and researchers to predict more perfectly which treatment and prevention procedure for a specific disease will work in which kind of people. The conference will include key note speakers, oral presentations, confined table discussions and other activities. Everyone with an interest in Precision Medicine are welcome to attend the conference.

Thank you for your continued support. We look forward to seeing you in Orlando, USA.

I enjoyed and learned a lot from the meeting.
Orlando is one of the world’s most visited family destinations, and while its illustrious themed attractions may steal the limelight, with a vibrant and well-kept city center and a climate that averages around 75° Fahrenheit (25° Celsius), there is a surprising amount of things to experience here. Welcoming tens-of-millions of visitors per year, both Disney World and Universal Orlando pack in an entire trip’s worth of fun on their own.

Orlando is a place known for hospitality, and that extends to its many hotels, spas and services that suit every budget and taste.

City attractions: Orlando has several parks and lakes that are great for relaxing, exercise and adventure. Rent a paddleboard or paddleboat, soar over the city in a hot air balloon, picnic under an old oak, spot dolphins on a boating day trip, swim with manatees and pet a sloth at the Exotic Animal Experience. There are several watersports centers if you’re looking to try waterskiing or jet skiing, or for an even
