

3rd Edition of International PRECISION MEDICINE CONFERENCE

Rome, Italy | Hybrid Event

13-15 March, 2025

IMPORTANT DATES:

Abstract Submission Opens on:
March 01, 2024

Registration Opens on:
March 15, 2024

OVERVIEW

The upcoming Global Conferences IPMC 2025 on Precision Medicine, where the future of precision medicine will be unveiled. Immerse yourself in the latest technologies, trends, and digitalization within the field while gaining insights from thought leaders and industry experts. IPMC 2025 provides a unique opportunity for junior scientists and graduate students to showcase their research through E-poster presentations, fostering career advancement and knowledge acquisition from specialists.

CALL FOR PAPERS

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
