

EUROPEAN PRECISION MEDICINE CONFERENCE (EPMC 2019)

“Latest Innovations in Precision Medicine”

September 23-25, 2019 | London, UK

<https://magnusconferences.com/precision-medicine/>

Scope of the congress: EPMC 2019 will furnish you on the latest trends and keeps you up to date on the newest advances in Precision Medicine. A unique aspect of the event is to emphasize research and clinical practice that include Personalized therapies, Translational Informatics, Ethics in precision medicine and many more offering deeper coverage of interventional procedures for those in the field.

Important Deadlines:

Abstract Submission Opens on: November 12, 2018

Abstract Submission Closes on: August 31, 2019

Registration Opens on: November 19, 2018

Online Registration Closes on: August 31, 2019

Call for Papers: Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the “Abstract submission” page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.

For Abstract Submission See:

<https://magnusconferences.com/precision-medicine/abstract-submission/>

Conference Venue:

Park Inn by Radisson Hotel & Conference Centre, London Heathrow Airport, Bath Road, Heathrow, Middlesex. UB7 0DU, London, UK

Sponsorship and Exhibitor Opportunities:

We are excited to invite you to sponsor and exhibit at the EPMC 2019. Download the 2019 Exhibitor and Sponsorship Prospectus.

Conference Topics:

- Biomarkers and Precision Medicine
- Translational Informatics
- Regulatory Affairs
- Product Development and Commercialization Challenges
- Disease Prevention Strategies and Medical Treatments
- Patient-Centered Care
- Pharmacogenomics and Precision Medicine
- Precision Immunotherapy
- Big Data for Precision Medicine
- Companion Diagnostics in Precision Medicine
- Theragnosis
- Ethics in precision medicine
- Personalized therapies
- Precision diagnostics
- Wearable technology : Precision Medicine
- Artificial intelligence : Precision medicine
- Precision medicine in guiding clinical trials
- Precision Public Health
- Diversity in Precision Medicine
- Gene Editing, Microbiome and Neoantigens

Registration: Registration for the conference includes access to all scientific sessions, poster sessions, exhibitions, an extended abstract booklet & Conference Materials, Breakfast, Lunch, tea / coffee breaks during conference dates, Certificate Accreditation from the Organizing Committee.
