# ABOUT US

Magnus Group is delighted to announce "4th Edition of International Conference on Tissue Engineering and Regenerative Medicine" (TERMC 2024). The event is scheduled to take place in Hybrid Format at Rome, Italy, with virtual attendance options during September 19-21, 2024. Centered around the theme "From Cells to Solutions: Advancements in Tissue Engineering and Regenerative Therapies," the conference aims to showcase the evolution of Tissue Engineering and Regenerative Medicine over the past three decades.

TERMC 2024 guarantees an abundance of networking opportunities, encompassing targeted sessions, cutting-edge presentations,

and unique panel discussions. This conference is meticulously crafted to cultivate meaningful connections, offering a robust platform for active engagement with eminent professionals in the realms of Tissue Engineering and Regenerative Medicine. Participants will have the privilege of interacting with leading scientists, analysts, practitioners, and business professionals, fostering a collaborative atmosphere.

This event presents an exceptional chance to connect, share valuable insights, and actively contribute to the progression of Tissue Engineering and Regenerative Medicine. Attendees can look forward to a dynamic environment where collective expertise propels advancements in this evolving field. Don't miss out on the enriching and transformative experience that TERMC 2024 promises, as it serves as a nexus for innovation and collaboration in Tissue Engineering and Regenerative Medicine.
